Nagthana, Wardha

Date: **14 August 2026**

Subject: **Application for Medical Leave Due to Fever and Doctor's Advice for Bed Rest**

Respected Madam,

I am writing to request medical leave as I am suffering from fever and am currently unwell. After consulting a doctor, I have been advised to take proper medication and complete bed rest for recovery.

Therefore, I kindly request you to grant me leave from 15 August 2026 until I am fit to resume classes. I will submit the medical certificate/prescription if required and will complete any missed academic work after returning to college.

I request you to kindly consider my medical condition and grant me the necessary leave.

Thank you for your understanding and consideration.

Yours faithfully,
Name: ganesh shende

Branch: CSE
